

## Goal

---

Our “**Goal**” is to provide and/or coordinate an array of services that assist students to create and implement their career plans that are based on self-knowledge and awareness of needs, preferences, and options.

Your active involvement and participation in this program will be an important down payment on your future in the job market. As a student, this is an opportunity to develop a sound foundation of work ethics, from which you will derive benefits for years to come.

We not only want you to work hard at whatever assignment you receive, but we want you to have a good time doing it and feel a sense of accomplishment at the end of the program!
